

522nd MEETING OF PSAECO
THURSDAY, DECEMBER 11, 2014
SENATE MAJORITY CAUCUS ROOM
STATE CAPITAL
HARRISBURG

Call to order at 10:00 AM: President Patty Streams-Warman

Pledge of Allegiance and Invocation: Vice President Rob Green

Minutes from meeting November : Will be addressed at February meeting
Treasurer's Report- Jeffrey Conner Will be addressed at February meeting

Executive Committee- Don Petrille no report at this time

Legislative Committee- no report at this time

Legislative Dinner- Patty Streams-Warman thanks Randi Reisinger again for such a wonderful job on the dinner and a great turn out. Meals were excellent and everything went smoothly. Thanks Randi from all of us for a job well done.

Nominating Committee- Brad Jacob

The nominating committee discovered that the by-laws do not allow two members from the same office to serve on the executive committee. Terri did email and had withdrawn her name off the committee. Motion for Patricia Ross to serve on executive committee by Brad Jacobs . Second by : Judy Moser
All in favor

Legislative Committee-Rob Green

Don Petrille, spoke about members of PSAECO trying to be more effective with our efforts and the local government commission. Various committees to submit what our priorities are and the be able to present them within the association and to legislative committee to target points and increase interest in organizing needs for row offices. Judy talked about reading bills that are important to other associations not clearly identified. We are hoping this would improve the tracking and not miss anything. Don stated that bills tracked to one association often gets behind but changes in those bills can affect other row offices as well. A lot of the bills primarily advocated by one association but involve others as well

Rob stated that like John Steele who has been a driving force and very active in this association is an example of the need to be more proactive. We will miss John when he retires. Losing Denny also from Coroner Association as well. Both will be missed. A special thank you to these gentlemen who were very active in PSAECO.

Judy stated that legislative new members try to have our presence known to the legislators so they know about PSAECO and are educated in our members and active legislative knowledge.

Mike stated that Dave Green was very surprised and grateful for the award given to him. Five members present at the dinner and that speaks highly of our Association and their desire to attend the dinner on a sign and die year. Really appreciated the dinner and thanks Randi and the Association for such a nice evening.

Meeting have cut back right now and we don't have access to their information and very difficult to get a feel about were the legislative laws are going.

Being present at the local government meeting has been voted on by members and they agreed we will be given time on the agenda and will have access to all the members of local government.

No session week of March 11th.

Don will be sent to the local government meeting for March 12, 2014 Motion to send Don O'Shell first by Donna Lutz and Second by Barb Blair

Executive Committee reports on records improvements monies. Representative from each row association to review. No futher action at this time.

Judy had raised the issue and wants to withdrawl those comments so let things go as they are for now and not cause another problem.

Quest: Mary Kay Smith Bucks County

Local government is at 11:00am today

Adjourn Meeting: First by Judy Moser Second by Rob Green

All approved

Patty Streams Warman our President thanks every one for all that they have done for her. Blessed Holidays to everyone.

Safe Traveling

Secretary Patricia M. Ross Coroner
